## NEW PRODUCT ANNOUNCEMENTS

**DO YOU REALLY WANT TO LOSE WEIGHT? NOW YOU CAN LOSE WEIGHT.  
THAT'S BECAUSE THE REAL  
HOODIA GORDONII IS HERE!**

You have tried all the rest. Now try the best! This is the herb for weight loss. If you are serious about weight loss, now you have the support to do it. The herb Hoodia may be the answer you have been waiting for. It is a small "cactus looking" plant two to three inches tall. The plant comes from the desert of South Africa where conditions are harsh, at best. The plants, the people and the animals there are hardy, resourceful survivors. It is the perfect home for the plant Hoodia. People who live there are known to chase a rain cloud for miles just to get a drink of water. They have learned many skills to survive and they know what to do when they must go on a long trip to find food and shelter. Enter the herb Hoodia. When they take the herb it tells the body to use its resources and not spend its time being hungry for food. You don't have to live where food is scarce to take the herb. If you decide to take it, you can choose if you want to eat or not. Some people say ten drops at a time, as needed, is enough. Other people say they need as much as one teaspoon three to four times per day to keep from getting hungry. Hoodia is not known to have harmful side effects. You might say it has been "field tested" for hundreds of years without a problem! Make sure you get the real plant when you buy a product labeled, "Hoodia". There are at least a dozen different kinds of this little "cactus-like" plant and only one of these types is the highest quality. It is known as Hoodia gordonii. The world's supply of this herb is limited, making it hard to locate and very costly. After all, it only grows in the desert. This particular plant is regulated and only so much of it can be collected and sold. This ensures that the herb will not be over-collected and be available for future generations. This is why it is really expensive. But, if it works for you then is it really expensive?

**HOODIA COMBINATION**

Hoodia gordonii is a proven weight loss herb. It helps you to keep from being hungry and not eat as much so you can lose weight. However, when you lose weight you may run into poisons that love to hide out and get stored in only the fat tissues. This can make a person feel a bit agitated or aggravated at times. To counteract this we use the powerful poison neutralizing effects of Acerola Cherry. Its proven and powerful anti-oxidants (poison antidotes) will help make the person more comfortable. Chlorella and Bladderwrack work in combination to mop up heavy metals and usher them out of the body. Bladderwrack also helps to regulate and clean your thyroid gland which acts as the body's thermostat. This in turn will help assist the body to burn fat. Red Raspberry Leaf is added to this combination because it contains a very active type of manganese which works to keep skin tight as weight is lost. Red Raspberry Leaf is what the first American women used to prevent stretch marks during pregnancy when Columbus discovered America. We add Pumpkin Seed because of its balanced zinc and copper activity to produce skin with youthful elastic tissue. Dandelion Leaf and Sunflower Seed provide a vegetable source of Vitamins A and D which act to grow healthy new skin as you lose weight. Horsetail uses its rich active silicon mineral content to put a smooth finish on the skin. As the weight is being lost you want to make sure to flush the poisons and residues down the drain to complete the process. In order to do that we use the time proven reliable herb Cascara Sagrada. All in all, you have here a very impressive array of team helpers to assist you in getting the results you want.

**Dosage: 40 drops to one tsp. as needed.**

**Contents: Hoodia gordonii, Acerola Cherry, Red Raspberry Leaf, Pumpkin Seed, Sunflower Seed, Dandelion Leaf, Horsetail, Bladderwrack, Chlorella, Cascara Sagrada.**

**IN CHARGE OF PRODUCTION SAYS:**

“The process of getting you the new HOODIA gordonii has been an interesting, challenging and intense experience. First of all, we had to find a reliable and continuous source of the authentic herb Hoodia. Then we had to build up a supply of it to cover your needs. While this was going on, tests were being run with people to see the results. This has consumed upward of a year and a half before we were satisfied we had what you want and expect. Now we are pleased to offer you the world's finest Hoodia for your use.”

# PURE HERBS, LTD. SUCCESS TESTIMONIALS USING PURE HERBS PRODUCTS

July 26, 2005

"I started using Tart Cherry Extract from the first day it came out. Like Columbus I discovered its source. I was only looking for help to sleep. Not only did I find the help I needed to sleep, but I also had improvement in sexual functions (erectons). What I thought was lost in my 20's, at 41 years of age is working better than ever! Even better then past performance. I take four droppers each evening." —signed name withheld, see for yourself

January 31, 2006

"I would like to share with you how herbs have helped me. I have a degenerate disc, bulging disc, bone spurs and also osteoarthritis. I had tried everything to no avail until I started using Big 5 + 2. I have had wonderful results within just a few weeks. Thank you Pure Herbs! I would recommend this product to anyone with the same or similar problem." —P. Grubb, Essex, Ont., Canada

February 6, 2006

"I enjoyed my conversation with Kim the other day. She was very nice and kind to me and I wish to give my testimony about some of your fine products I am using. I have been using O.C.M. for several years and would not be without it. Also, I was in a severe automobile accident several years ago and my right eye was so bad they thought I would lose it. I have nerve damage now from it, but have been using Greasewood on my eye brows and my eyes have opened up more and they are better. Other people have noticed the difference in the way my eyes were sometimes almost closed and now are opening more. I also am a big believer in Bilberry, H.T. Combo, Peppermint Oil, Herbal Adjustment and Cascara Sagrada. I have also used E.-W for my eyes. I have used all of these products for several years and I am a firm believer in them and would not do without them. I would like to compliment you and your company for being such fine people and have such fine products. I am 76 years old and I work one day a week (Saturday) at one of your places that sells your herbal products. I work for Good Life in Shreveport, LA. Mrs. Betty Harbour owns the store which is family owned and operated. She and all of her family are wonderful people and a pleasure to work for. They are very knowledgeable about your products and I really appreciate them letting me work there. Thank you Pure Herbs again for being such fine people with such fine products, and also for being so kind and nice to me when I called. May God Bless everyone there."

February 15, 2006

"Just to let you know that we like your combination herbs and singles too! Feverfew, Una De Gato and Willow as a pain reliever to name a few. We also steam Peppermint Oil when we have a head cold and C.C.E.-W for a colon cleanse when we get the flu." —M.E. Mast, Pittsford, MI

February 17, 2006

"I am writing to tell you how much herbs have improved my health. If it wasn't for Solomon Wickey, that wonderful Amish herbalist, I would never have known of you. Back in Sept. 2004 Solomon suggested I take Can-Sol along with acidophilus for a horrible long standing yeast infection. I suffered for five years before I found relief from the yeasties! Back in Sept. 2005, I gave birth to my second child, Grace Anna. It was truly a miracle that I was even able to have another child. Around the time she turned three months I developed a terrible fungal infection on my left nipple. The pain was so excruciating that I almost stopped breastfeeding. So I consulted Solomon and he suggested I swab White Oak Bark on my nipple and on the insides of Grace's mouth 3-4x/day. Well in about five days the horrible pain was gone and so was the white coating in Grace's mouth. Thanks to Solomon and to Pure Herbs I am able to continue to provide my daughter with superior nutrition. Thanks so much! Your products are amazing!"

"Our son had a bump on his thumb the size of a pea so I told him to put Sutherlandia on it. He did and the bump opened up and out came a little piece of wood." —L. Eicher, Bluffton, IN

February 9, 2006 TO ALL EXPECTING MOTHERS-TO-BE!!!

"I found Pure Herbs about five years ago and since then I have been helped several times. The true test came when I got pregnant last year. First, I started taking Crampbark & False Unicorn Root to increase my chance to become pregnant. Within two months we found out we were going to have a baby in October 2005. Throughout my pregnancy I took P.N.-W, Red Raspberry Leaf and Chuchuhuasi (for my immune system) three times per day. I understand everybody is different and can have a good or bad pregnancy experience, but I'll tell you one thing I had a fantastic one! I wouldn't want to know how it would have been without the herbs!!!!!! My own mother couldn't believe how great I was feeling because both of her pregnancies she had the typical symptoms. I personally never got sick, I had no cravings and no other problems. I had energy from the beginning to the end. During the last six weeks I took L.6W for an easier labor. Although I did have a difficult labor I'm still amazed at how I kept myself going for over 48 hours on my feet and 29 hours of natural labor to a nine pound baby. Let me tell you that hours later I felt great! I never lost my energy or my smile. After labor I didn't have any pain from my uterus contracting back. I also highly recommend to you Papaya Mints Extract for your colic baby. After about ten or twelve days my sons "gassy" problem disappeared and his digestive system is working 110%. He was only three weeks old when I started him on herbs. While nursing I have been taking Basil, M. & B.-A, Protein Extract and Chuchuhuasi to make my milk a better quality. Good luck to all mothers and expecting mothers. Don't be afraid of taking these herbs. They are our blessings. Thank you Pure Herbs for saving our health!!!"—K.W.— Sterling Hgts, MI

February 28, 2006

"Seven years ago my eye doctor told me I had cataracts on both eyes and I would need surgery. I started using E.-W as an eye wash. When I went back to the eye doctor he said I only had a slight cataract on my right eye and that my left eye was free from any signs of cataract. He also told me I was in good shape for my age. I am 84 years old and don't want to have surgery. The doctor told me with my improved vision that I would not need surgery." —P. Lind, Corydon, IN

March 6, 2006

"I use Alfalfa every day for arthritis (two droppers two times per day). I had a cyst on my thumb knuckle and I put a drop of Alfalfa on it once a day for a couple of weeks and it disappeared. Also, when my ring finger started to hurt I did the same thing and in about a week the pain went away.

My daughter also started putting Alfalfa on her fingers because she had arthritis. In only a few weeks she was pain free. It really works! Thank you Pure Herbs!" —Barbara Hastey, Dover, NJ

March 9, 2006

"Some years ago I was experiencing neck and back pain. It was becoming a ritual to roll out of bed in the mornings along with sleepless nights due to all the discomfort. After taking an MRI exam, I was diagnosed with three slipped discs in my back and a pinched nerve in my neck. The doctor recommended emergency back surgery and gave me a prescription for Vicatin. I declined the surgery and refused to take the medication. I immediately sought counsel from my herbalist who recommended reflexology (2x/week), taking liquid Vitamin C (1 tsp 4x/day), DSK (80 drops 4x/day) along with using an additional ten drops of DSK internally, Big Five + 2 and Oil of Cajeput to massage up and down my spine and on my neck. After one week my pain was slowly disappearing. After eight weeks, I was completely healed. No more sleepless nights and no more rolling myself out of bed. As an added bonus I had a lot more energy. Thanks Pure Herbs." —Gila Johnson, Cincinnati, OH

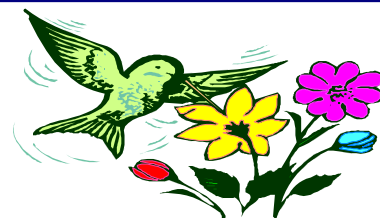

"I have been one of the testers of the Hoodia and I absolutely love it! It has decreased my appetite, helped me to stop eating all the junk (chips, cookies, candy, etc) throughout the day and it has given me more energy. When I quit smoking about a year and a half ago I gained a significant amount of weight and was very depressed about it. Now that I have been on the Hoodia for awhile I try to do some form of exercise at least five times per week because of my increased energy (Nordic-track, walking and Jazzercise). As of last week when our Hoodia Combination was ready I switched over to taking that. I like the added benefits of taking Chlorella and Cascara Sagrada which are ingredients in the Hoodia Combination. So far I love the Hoodia Combination too! It has been a slow process of loosing my weight/inches, but I have dropped one pant size and am already feeling better and more confident. Several people have commented on my weight lose. It is especially noticeable in my face. Also my jeans are pretty baggy on me, but I don't want to buy too many new ones because I plan on dropping at least one more size. I am very excited and pleased, especially with my increased energy. There was a period of time before I was taking the Hoodia when I would take power naps on almost all of my breaks at work. I had zero energy to do anything, especially exercise. I can't wait for nice weather so I can start rollerblading. Thank you Dr. Watkins for finding this top notch source of Hoodia!" —Kim Clark, Pure Herbs, Ltd employee
