## WHY WE APPLY SOME LIQUID HERBS EXTERNALLY

All parts of the body do not absorb nutrients at the same rate. Some body parts need a little extra help. They may be weak, damaged or congested. For instance, the lymph glands may be stuffed with dead cells and poisons they just can't eliminate. The liver may be stunned with the residues from harmful medications and the chemical poisons sprayed on our vegetables and fruits to kill bugs. The bone marrow may be congested with chemically altered and artificial trans-fats. You run into a kind of toxic waste dump in those parts of the body. These areas may need some special help. Take the herbs internally and also put them directly over the organs or glands that are in trouble, two or three times per day. In this manner you nourish, clean, oxygenate, erase electrical upset to the nerves and repair body parts much easier. This is, of course, the great flexibility you have with high quality liquid herbs that are easily absorbed and straight from nature the way the Creator made them.

## NEW PRODUCT ANNOUNCEMENTS

### CEDAR BERRY (Single-Seeded Cedar Berry)

(Juniperus monosperma)

The Cedar Berry tree is a needle bearing tree and an evergreen that lives in the American Southwest. Think Texas, New Mexico, Arizona, Utah, Colorado and you have the picture of where it is at home. It is a tough, hardy competitor able to persist on poor soil where other trees can not. It ranges in size from that of a shrub to up to 30 feet tall if it has enough water and better soil. "Out West", its common name is the "Single-Seeded Cedar Berry" tree. There are two kinds of Cedar Berry trees. One kind has the female flowers on it and the other kind has the male flowers on it. The flowers on the female trees produce a small waxy seed pod with a single seed in it. That is the part which we use.

Under the stomach and liver is a carrot shaped organ/gland called the pancreas. It empties its digestive juices from its blunt end into the small intestine. This is very important to the digestion. When the pancreas itself gets sick, you need a no-nonsense remedy. We use the seed and its pod from the Cedar Berry tree for that purpose. This remedy was found out of sheer desperation by Dr. John Raymond Christopher from Utah after much prayer and fasting. His search was for something to repair a pancreas that had "bad cells" in it. This is a very serious condition because the pancreas is the main digestive organ and normally eats up any "bad cells" that occur in the body. You can imagine the panic, if the organ you rely on to eat up malignant "bad cells", is itself being eaten up. In practice he proved the value of this remedy of the Single-Seeded Cedar Berry and shared it with all of us. Along with this remedy, he gave us the wisdom to restore the function of the pancreas so the pancreas will eat up the "bad cells" in itself and anywhere else in the body.

DOSAGE: 1 teaspoon per meal.

Note: As always make sure there are two or more bowel movements per 24 hours so that debris can be removed from the body.

## PURE HERBS, LTD. SUCCESS TESTIMONIALS USING PURE HERBS PRODUCTS

Feb. 16, 2007

"I was having problems with my eyes. They would get blurry and burn when I read for too long and I couldn't read small print anymore. I called my upline and she told me to take Bilberry. Within a few weeks of taking the Bilberry my eyes have improved tremendously. They don't get blurry or burn when I read and I can see the small print again. Thanks Pure Herbs for giving me my eyesight back!" —J.N, Cary, NC

March 28, 2007

"I have been using T.G. & P.-W for teeth sensitivity, gum bleeding and gum pain. Since using this product, my problems have improved in less than a month without the side effects prescriptions the dentist prescribed caused. I will also save a bunch of money and unnecessary pain by not having deep root cleanings since I've found the T.G. & P.-W. I take it internally and also use it in my water pik. Thank you Pure Herbs and Dawn Upchurch!!!" —V.L., Walled Lake, MI

June 19, 2007

"I am 13 years old. The summers here in California are very hot, and the sun is intense. I spent five hours in the pool yesterday and badly sunburned my face. I applied the Skin Lotion Plus #101 twice within an hour before bed. I was very surprised to wake up less than 12 hours later and find my sunburn completely gone. I have never experienced this quick of a recovery from a sunburn. This lotion is the best! Thank you Pure Herbs, Ltd!" —P. F., Valencia, CA

Feb. 21, 2007

"Hoodia extract has been a great asset to my weight loss program. I started using Hoodia when I joined Weight Watchers this past Nov. I take Hoodia twice a day, on an empty stomach, between breakfast and lunch and before supper. It has curbed my cravings for sweets and assists me in keeping portions of food reasonably sized. To date, I have dropped 27 unwanted pounds and it's a great adjunct to the Weight Watchers program. For my needs, I take 15-20 drops 2x-3x/day prior to meals (about 1/2 hour before meals). I know that Pure Herbs Hoodia is of high quality and this is always a great assurance." —S. K., Hendersonville, NC

April 30, 2007

"I have a wonderful testimonial. Our six year old son has suffered with the croup, usually twice a year, for the past several years. We looked for an alternative to the syrup usually given, which contains steroids. We purchased a bottle of Garlic & Mullein Oil. At the onset of the croup, we gave him one teaspoon of the oil every four hours (or four times daily). He felt much better even after the first dose. We continued this for about three days or until completely better. Thank you Jesus for creating natural herbs for our healing and thank you Pure Herbs for preparing them in a quality way to best benefit our bodies! God bless you!" —B.C, Dixon,

Jan. 29, 2007

"I feel compelled to write another testimonial on Skin Lotion #102. My last testimonial was on my husbands dry cracking heels. I'm happy to say they are still smooth and show no signs of cracking. I still put the Skin Lotion #102 on nightly. For me, I'm in heaven. I have had a raised, scaly dark place on my leg for five years. At times I have thought this was most likely bad cells. Because it was on my leg (out of sight, out of mind) I really haven't done anything about it and I know better than this! I started using the Skin Lotion #102 daily and to my delight after two weeks it's completely gone! I also use the lotion as a moisturizer on my face. I'm thrilled that I finally have something herbal to put on my skin. Once again, thank you Pure Herbs for making my life better." —A.H., Sterling Hgts, MI

**PURE HERBS, LTD. SUCCESS TESTIMONIALS USING PURE HERBS PRODUCTS**

June 28, 2007

“I have always had very good results with Sports Cream Plus. I decided to order Sports Cream Extra Strength. I am so impressed with this cream! The first thing I noticed was the consistency of this cream was more smooth and somewhat more liquid. It felt velvet smooth in my hand and when I applied it to any area it was absorbed very quickly. I could feel it working as I was applying it. The smell is very soothing and relaxing. I have had great results and I am very impressed so I will continue to use and share the good news of this products! Thank you for such a wonderful product.” —Marcella, NJ

June 13, 2007

“I have to tell everyone about the product Skin Lotion #101! I recently used this product for the tick bites which I was suffering with! I had many small bites on my body from being outdoors on Memorial Holiday. I knew this was a great product, so I tried it and the itching was relieved very quickly! Also, the redness and swelling (inflammation that I had was severe) soon started to change (for the better). Also, within just two days the large red swollen bites were almost totally healed. I applied the lotion two-three times a day and it worked so quickly. I will never be without this product again because I am very prone to getting insect bites. Unfortunately, I am not able to use the Five Oils for prevention, since I am allergic to the Oil of Cajeput (Tee Tree)! Otherwise, it’s great for other people! I have used many other liquid Pure Herbs and have had great results! I am taking Black Cohosh two times daily for hot flashes and hormonal imbalance and it is really helping to stop this. I’ve tried other products, but this is the only thing that worked! I will continue to recommend Pure Herbs to anyone because every product I’ve used in the past ten years has worked very well for me and my family! Thanks to everyone for making these great products and for caring so much about OUR HEALTH and WELL BEING!” —V.R., KY

June 19, 2007

“I started taking Hoodia Combination on June 3rd, 2007. As of today, June 18th, 2007 I have lost 22 lbs.! I have no urges for junk food! All of my life I have been overweight and this has been the only product that has ever worked to help me loose weight! Also, it makes me feel great with NO side effects!” — F.B, Bay City MI

June 19, 2007

“I started taking Hoodia Combination on April 1st, 2007. I have lost 35 lbs. as of June 18th, 2007! I take it three time per day at a rate of three droppers full. My cravings and energy level have changed dramatically. I have no craving for sugar, chocolate or any junk food at all. I don’t eat after 6 PM. At night, if I feel hungry, I take another dropper full. Before I started taking the Hoodia Combination, my urges for chocolate and sugar were very strong, but I have no urges now!” — J.P, Bay City MI

Feb. 26, 2007

“I would like to share with you how herbs have helped me. One year ago my blood pressure was up to 240/130 to 240/140 and I was having a lot of chest pain. I’ve had a blood pressure problem 12 years and most of the time it was out of control. I was taking six high blood pressure and heart pills and didn’t know what to do anymore so I decided to try H.T. Combo from Pure Herbs. I took three droppers full twice a day in the morning and at bedtime. I took about three 4oz. bottles of H.T. Combo over a period of about three months. I started about the last part of Feb. Then in May I was working in my shop and all at once I got so dizzy I almost fell over. I didn’t know what was happening so I went in and checked my blood pressure and it was down to 118/70 and has been like this now for a full year until today. I think it also helped my fluid problem. I also think it opened my arteries. At times my heart pumped so heard it felt like I was shaking all over. I feel so much better and I just can’t believe it! I am so thankful that H.T. Combo has helped me!” J.W.D., Quincy, MI
