THE LAST BUSINESS DAY OF THE MONTH
All orders and P.V.T. (Purchase Volume Transfers, which refers to products that were ordered by Distributors that you did not sponsor) **MUST** be called in, faxed or received by mail **before 5:30 p.m., E.T.** on the last business day of the month. Please keep in mind that during the Holidays the mail service will probably take a little longer. All orders and P.V. transfers after 5:30 p.m. E.T. will automatically go on the next month. A good example of the last business day of the month is if the 30th is a Sunday, the last business day would then be Friday the 28th. Legal holidays are not considered business days. During the summer months we change to E.D.T. (eastern daylight savings time). It is your responsibility to note our time changes. This could be very important to you or your downline, as it is your responsibility, and it will be your responsibility, to correct any problems in your downline, should you fail to adhere to these rules. There are no exceptions.

RETURN POLICY
Due to F.D.A. regulations regarding food products, Pure Herbs, Ltd. has a no return policy. The exceptions are breakage and manufacturing defects. To return a product, you must receive prior approval. In the case of shipping errors, returned bottles must be as shipped (free of store pricing labels) and returned in a timely manner (with current lot numbers). All items returned with non-current lot numbers, distributor labeling, or two weeks after receipt, will be charged to your account. This policy is necessary as the returned product must be destroyed due to F.D.A. regulations.
