PRODUCT PRICE INCREASE EFFECTIVE APRIL 1ST, 2007

Have you ever heard of inflation? Maybe you have experienced it personally over the last two years. That is what is happening in the herb business too. In order to continue to supply you with the same high quality products you expect, we have been forced to raise prices. As of April 1st, 2007 all 1-oz. products will be increased by \$0.50 and all 4oz. products will be increased by \$1.50. Only Hoodia Extract and Hoodia Combination Extract will remain the same. Other items that remain the same price are the Encapsulated Products, Sports Cream and Skin Lotions #101 and #102. We have tried to give you as much advance notice as we can so you can stock-up before the price increase takes place. You should have the new price list with the April Newsletter.

A NOTE REGARDING OUR VITAMIN E GEL CAPS:

You may notice a variation in color of the Vitamin E gel capsules and that is because it is a natural product that comes from nature and each crop will vary from year to year.

IN CHARGE OF PRODUCTION SAYS:

PURE HERBS, LTD. SUCCESS TESTIMONIALS USING PURE HERBS PRODUCTS

January 2, 2007

“THE FINEST NATURE HAS TO OFFER” is what Pure Herbs says and boy this is what you get! Lotion #101 and #102 do MOISTURIZE, SOOTHE, NOURISH, REPAIR, PROTECT, RESTORE and REVITALIZE the skin. These are big promises that do come true. In order to do all these things you have to have a large amount of the quality things in the product to do the job. Most companies put a drop or two of the good things in their product so they can list them on the label and it looks impressive. I heard someone say they could detect the scent of Vitamin E and fish oils when they first use the Skin Lotions. Be sure to shake them up first before you use them. Yes, the containers are full so you may have to use the first little bit on some really rough skin such as your elbows or heels of your feet or on your ankles. Then shake it up. When I first tested the Skin Lotions, I was in love with the #101 because it is scented with the natural oils of Lavender, Juniper and Rosemary. Now my favorite is #102 which is scented with Fennel and Greek Nuts. I like it better because it becomes odorless even quicker than #101. I use it on my face as a moisturizer. Another thing I find amazing about the lotions is every once in awhile the top layer of skin on my face has a gentle peeling. The lotion is having a deep healing effect and my skin looks wonderful. I believe many women pay lots of money to have the top layers of skin burned off. These lotions are softening, repairing, nourishing and they restore my skin gently all at the same time. And, there is none of that burning off the skin nonsense. Did I mention the lotions are very rich and thick and you do not need to use much. This isn't your average 'smell nice' drugstore perfume lotion! No, it is MUCH, MUCH MORE!!! I have never been this excited about two new products before! This is just what we needed, a REPAIR KIT FOR THE SKIN!!!”

“A co-worker, a young woman I knew, was unable to speak complete sentences. I told her about Pure Herbs and their cleansing and healing properties. She was impressed, so she decided to give it a try. She ordered C.C.E.-W (for cleansing) and W.L.-W (for weight loss). Then the next time she ordered, she tried Oil of Cajeput for her itchy feet. She also ordered D.-W and Formula Max. She suddenly was very sharp mentally and had no more hesitation in her speech. I noticed and complemented her and her response was so happy and thankful. In addition to the above, she also stopped having all her constant colds, she lost 35 pounds and she was more bright and alert and she could complete her sentences. Thanks Pure Herbs.” —W.M., Warren MI

November 17, 2006

“Dear Doctor Watkins and staff, sixteen months ago I was presented with symptoms of body lice. Doctors denied I had lice or parasites. Severe itching and burrowing 'bugs' became worse despite home remedies and prescriptions. I was forced to resign my job as an R.N. and withdraw from society. I prayed constantly for a healing or cure. I relocated to another state and was led (by God) to Good Life Health Food Store which carried Pure Herbs products. They started me on a parasite cleanse using Pure Herbs products. I am nearing the end of this disgusting plague. I would have committed suicide if these products and remedies had not been available.” —P. S., Waskom, TX

September 27, 2006

“My friend, Bob fell off a ladder and crushed his heel on a Friday evening. I suggested he wrap it with Ol' Number 11 till he could see a doctor. On Monday the doctor took an X-ray and told him he crushed his heel in a million pieces. He scheduled him for a Cat Scan on Thursday and surgery on Saturday. Saturday morning while waiting to be pre-oped for surgery the Doctor told him he didn't need the surgery after all. He said, 'You sure heal well for a 50 year old man. I've never seen anything like this before and I can't explain how all those crushed fragmented pieces somehow went back into place.' Bob wrapped his heel with Ol' Number 11 and took 40 drops 3x/day by mouth.” —J. A., Spring TX

“If you are looking to get rid of those UGLY Warts permanently, you must try this. My son had clusters of warts on his elbows, hands and knees. I was told by a dear and highly skilled naturopath friend of mine to do 60 drops of Pure Herbs Carpenter’s Square and 60 drops of Pure Herbs I.V.Y.-D, 2 - 3 times a day for 3- 6 months, also we eliminated any citrus from his diet (for 6 months) as well, we got a couple of the really large warts removed by a dermatologist, (in which he told us there was no guarantee that they wouldn’t come back!). Well, it’s been 2 years and my son C.J. has not had one wart since we did this protocol, all of his warts that we didn’t get removed disappeared after 4 months, thank you again PURE HERBS, for making such superb products!”

“NO MORE GUM ULCER! NO MORE SWOLLEN INFECTED LYMPH GLAND!

After a several hour ordeal in the dentist chair for deep root cleaning of the teeth, I developed a painful gum ulcer. In desperation I painted the ulcer with a glob of Skin Lotion #102 on a Q-tip. At first it caused a little stinging and then the hurt went away! Over the next three days I kept using it a couple of times a day. It let me eat as normal, while the Lotion healed the ulcer! Thank you Lotion #102! By the way, right after the dental procedure I also developed a painful swollen lymph gland in the groin which made it difficult to move and hard to concentrate on anything at work. I painted the whole groin area with Skin Lotion #102. The same thing occurred, at first a little stinging and then swift relief from the swelling and pain! I continued to use the #102 a couple of times a day. It kept me pretty well pain free and I did not miss any work. After about five days the lymph gland was fixed.”

“My husband and I, both senior citizens, recently changed doctors. In filling out the health forms, I was thankful to report ‘NO’ that neither one of us take any medications. However, if it were not for Pure Herbs we would have a cabinet full of medications with all their possible side effects. Some of our daily staples are as follows: Dong Quai for hormone replacement, Chuchuhuasi for arthritis, Fennel for heartburn, Buckthorn for regularity and Five Oils, which I am thrilled to have added to our daily regimen to replace my deodorant. I use the Five Oils every day and it works! We recently had a dead tree cut down and did our own clean-up in 90 degree heat with 80% humidity. To my surprise my blouse had no odor and all I used was the Five Oils! I put about 20 drops under each arm which may feel warm or almost uncomfortable at first (only lasts a few moments), but after a few days of using this passes. An extra benefit to using the Five Oils is that since I already have it on my hand, I use it to rub into my knees and neck or wherever I might ache. Afterwards, I cup both my hands over my nose and breathe deep several times and this really opens my sinuses and it smells good too! The vapors will irritate the eyes so make sure you cup the hands good and wash them well afterwards. I am so thankful for all the wonderful herbs God has given us and to Pure Herbs for making them available. They work!”

“My horse’s eyes were watering (to the point he looked like he was crying) and had ‘gunk’ in the corners of his eyes. I did a little research in your herb books and consulted with my health care practitioner and came to the conclusion he needed a drainage formula. We decided on L.C.-W. It worked like magic! Within a week the symptoms were much improved. I now keep him on a regular daily dosage to keep the lymph system clearing. Thank you so much for your fine products!” —C.F., Grover Beach, CA

This is a quote from actress/movie star Vanessa Williams taken directly from the National Enquirer which sounds like she mentions a Dr. Watkins Hair, Skin and Nail formula (HSN) . It says, “Vanessa Williams ‘recommends taking care of you insides as well as your outside’ — so she ingests a whopping 17 vitamins and supplements every day! Vanessa says her regimen includes ‘a fish oil pill, multivitamin, flaxseed, chlorophyll, PS-100, acidophilus – for my stomach – and HSN.’”
