## **IN CHARGE OF PRODUCTION SAYS:**

“A few months back we started buying organic Wheat Grass. Dr. Watkins and I decided to hand grind it and then try it as a green drink. We realized how good the Wheat Grass made us feel and how much energy we had and how much our spirits were lifted. We wanted everyone to feel just as good, so we decided to make it into a liquid extract for our Distributors.”

# NEW PRODUCT ANNOUNCEMENT! SUPERB WHEAT GRASS EXTRACT!

From the copyrighted works of Dr. A.B. Howard

We need the energy and complete nourishment from high quality foods to feel good, be active, be focused, look our best and feel our best. We want to reclaim our health, maintain our health and improve our health. One of the first clues where to find foods like this came from watching animals. Ranchers, and those caring for livestock, observed that animals preferred to eat young growing grass instead of older grass. The animals that ate the young growing grass had much healthier pelts (skin and hair). They also had an overall glow of health about them. Sick and poorly developed animals, as a rule, recovered quickly. They also became very fertile when they ate the healthy young growing grass. So in early times, enlightened doctors would recommend young growing grass for desperately sick people and animals. It was a good choice. Grass takes energy more or less directly from the sun and swiftly converts it into a powerhouse of ready to use energy compounds. However, grass is hard for people to eat. Grinding it up and eating it took a lot of time, effort and commitment even if it did often produce startlingly good results. It was found, through much investigation, that one of the finest young grasses to eat is young Wheat Grass. (Note: Wheat Grass does not contain the protein gluten which can cause allergies in some people). We now know one of the reasons why Wheat Grass is a healer. It is an outstanding source of a free radical killer known as S.O.D. (Super-Oxide-Dismutase) enzyme. This means it destroys internal poisons produced from running the body and external poisons from outside the body. Wheat Grass is not only healing, it is very nourishing. It can be up to 40% protein! But even greater yet, when you take the Wheat Grass before it branches off on its young stem, something wondrous occurs: you get a burst of "life energy" which surges up the stem. This "life energy" is best described as un-differentiated or ready to do or be anything. It can become more stem, leaves, male flowers or female flowers and develop seeds. Modern medicine might well describe this state of the plant as "stem cells." At this point we juice this young growing WHEAT GRASS so you can absorb it easily. Then we make it into a stable liquid we call SUPERB WHEAT GRASS EXTRACT. And with this gift from young healthy growing Wheat Grass juice, we have the doorway through which new life energy can and will enter our body cells and regenerate them.

## PROTECT YOURSELF AGAINST THE BIRD FLU, SWINE FLU OR ANY FLU OR COLD

From the copyrighted works of Dr. A.B. Howard

Keep the trash cleaned out of the body. Don't give the virus or germs a place to live. Keep the bowels clean. Please promote and allow at least two and preferably three easy and complete movements per day. Use one to four capsules of CASCARA SAGRADA capsules each night. Start with one capsule and increase if needed. If you prefer, you can use one teaspoon of C.C.E.-W each evening.

### TO GET RID OF VIRUS, FLU AND COLDS:

Do not let your body become dehydrated. Always keep your body well supplied with plenty of natural vitamins, minerals and trace elements. Take one teaspoon of FORMULA MAX or FORMULA M three to four times per day. Drink plenty of real juices and spring water to flush out poisons, nourish and prevent dehydration. PEPPERMINT TEA is great for upset stomach. One teaspoon of PEPPERMINT EXTRACT (not Peppermint Oil) to a cup of hot water. Also, use I.V.-H (Infection and Virus) for relief of flu suffering. Take one teaspoon two to three times per day.

### GET PLENTY OF REST.

Rest is a medicine. Christ said it best. "Come all ye unto me who are burdened and heavy laden and I will give ye Rest."

### USE ONE OR MORE HERBAL ANTIBIOTICS. CHOOSE FROM THE FOLLOWING & TAKE WITH FOOD:

- ◆ IM.S.-W to strengthen the Immune System. Use one teaspoon three times per day.
- ◆ To fight the Flu take one teaspoon or more of BEE PROPOLIS and one teaspoon of OLIVE LEAF every four hours while awake. One teaspoon of ASTRAGALUS and one teaspoon BONESET taken the same way devastates viruses.
- ◆ C.C.E.-W (Cleansing-Corrective Extract) one teaspoon, or if severe flu, one Tablespoon every four hours while awake.
- ◆ SUTHERLANDIA take ten drops every four hours while awake.
- ◆ PLEURISY ROOT if fluid in the lungs, one teaspoon to one Tablespoon every four hours while awake.
- ◆ VITAMIN C should definitely be a part of your program. Use 3,000 mg. of tablet form VITAMIN C plus a natural source of Vitamin C such as WILD ROSE HIPS or ACEROLA CHERRY EXTRACT one teaspoon three times per day. By using a natural source Vitamin C along with the tablet form Vitamin C they will work much more effectively.

### TO BREATHE EASIER AND BREAK UP CONGESTION CHOOSE FROM THE FOLLOWING:

OIL OF CAJEPUT, WINTERGREEN OIL, PEPPERMINT OIL, FIVE OILS or EUCALYPTUS OIL. You can put a few drops of any of these oils on a handkerchief and breathe deeply as needed. Also, apply any of these oils to the chest to breathe easier and break up congestion.

### KEEP THE IMMUNE SYSTEM STRONG:

Nourish the adrenal glands. This can make you more comfortable and get you well quicker. Choose any of the following: BEE POLLEN, SIBERIAN GINSENG, LICORICE ROOT, SARSAPARILLA, ASHWAGANDA, FORMULA THREE, STILLINGIA, or especially for women, THREE BEES. Take at a rate of one teaspoon every four hours while awake. If you must be around sick people, take 40 drops of JUNIPER BERRIES per meal to avoid sickness.

### IF YOU GET THE FLU:

Use F & F, for flu & fever. If chills and fever use BLACK COHOSH at a rate of ten to forty drops hourly, as needed. Also, apply BLACK COHOSH to the spine.

### WHEN YOU EAT, MAKE SURE YOU GET SOME PROTEIN TO BUILD NATURAL DEFENSES.

Here is a list of PROTEIN sources you can use: YOGURT, NATURAL PEANUT BUTTER, ALMOND NUT BUTTER or ground sesame seeds, also known as TAHINI. These can be put on puffed rice crackers and eaten that way. You can also supplement with liquid protein such as: BEE POLLEN, FIVE GOOD or PROTEIN EXTRACT. Use one teaspoon to one Tablespoon three times per day. Prevent the flu by using one teaspoon of SWEET ROOT per day.

## PURE HERBS, LTD. SUCCESS TESTIMONIALS USING PURE HERBS PRODUCTS

### December 24, 2007

"Our three year old suffered so greatly the first two and a half years of his life, emotionally, physically and mentally. The stress on our family was beyond comprehension. We could rarely take him anywhere for the out of his mind behavior. He rarely slept day or night. If he did fall asleep, he would rise (not awaken) with terrors, screaming fits of rage, flesh clawing, overthrowing of furniture, ransack the house and physically attack whomever tried to comfort him. This would go on for hours on end before he'd return to his sleep mode (to begin the cycle again shortly). Trying to wake him was grueling and eventful, if it was possible at all. He tended to stop the fits more readily when we succeeded in waking him up. We went the route of spiritual deliverance which God was so faithful to deliver to us, as all else we were doing failed to help. Through unending, constant research and much prayer, the Lord brought us to the knowledge of his having the most severe case of Candida and it was settled in his kidneys and urinary tract. One ND (Naturapathic Doctor) gave him a homeopathic remedy for that and it worked wonders. But, it wasn't until we saturated his little body (internally, in his bath, on bottoms of his feet, on his head, on his spine, etc) with **Can-Sol** that he completely became the sweet, 'real boy' God made him to be." —A. A, Aurora, CO

### July 9, 2007

"My son who is 14 yrs old is very moody, has many emotional problems and has ADHD. He was taking medication and I decided to try herbal remedies on him. I put him on **B.N.C-W**, **D.A.N.-C** and **E.H.-T** and he now he no longer needs his medications. He is happier and his ADHD seems much better too. It also improved his mood and his attitude!!!" —K. Shrum, Warren, MI

March 21, 2009

"My husband is 72 years old and has an enlarged prostate which makes it difficult to urinate. We try to heal problems naturally, so he's been taking Saw Palmetto and other formulas (from very good companies) to help. He's still having difficulty (urinating). I decided to get my Pure Herbs books out and found a product called **P.-W**. I ordered that along with **Olive Leaf** (I heard that fungus can be a contributor to Prostatitis). It took about two bottles of each before he finally responded (it may have taken that long because I wasn't giving him enough). When I increased his dosage to 80 drops of the **P.-W** and 40 drops of **Olive Leaf**, he started doing so well that he told me to stop buying the other prostate formulas. He does the best when he takes the drops 2x/day (morning and evening)." —C. B., Ormond Beach, FL

### April 14, 2008

"Four days – and they are gone! **Vane Eaze** is GREAT! I never had anything work so fast! I put **Vane Eaze** on my hemorrhoids and in just four nights there was only a little skin left. Thank you Pure Herbs." —B. H., Dover, NJ

### April 8, 2009

"I am a children's ski instructor and every winter the kids bring the flu with them so I usually come down with it too. It puts me out of work for at least a week, sometimes two. I have always believed in herbal medicine and this winter I used the Pure Herbs formula **A.F.-R** (anti-flu by Reuben). It was the first ski season that I stayed healthy. At the first sign of the flu, I would take **A.F.-R** and would always feel better. Sometimes, I just take it because I have been around others who are sick. It's a great product and I always keep an extra bottle handy just in case. I appreciate the excellent quality of your products." —S.W., Greensboro, VT

### March 3, 2009

"**Universal E.R.** (Emotional Remedy) is truly my friend! I take it as needed whenever I feel like I am having an emotional day or I am feeling stressed. I take about ten drops and it almost immediately makes me feel more emotionally balanced and more calm. **Universal E.R.** has also helped me through some very major losses in my life. It especially helped me last summer when I had to put my cat down. She was my baby. Thank you Pure Herbs for this great remedy!" —Kim, Sterling Hgts., MI

“I love the new **Superb Wheat Grass** extract! I have been really dragging for the past few months and I needed a good boost and the combination of **Wheat Grass** and **Three Bee’s** has done it. There were days in the past, where I would have to take naps on all three of my breaks just to make it through the day. Now I am feeling full of life again! Today when I got to work I took the **Superb Wheat Grass** extract and the **Three Bee’s** extract (2 droppers full of each) because I had not slept well or much the night before and wow did I feel good shortly after taking both of these products. I did this about every four hours throughout the day. I made it through the day and I still felt so good even at the end of the day that I was able to stay late to get some work finished up.” —Kim, Sterling Hgts., MI

**August 23, 2008**

“I have a testimonial about how I used your **OI’ Number 11** and **Myrrh** to get my cat well. He is seven years old and has had an auto-immune problem since he was a kitten. He came to us very sick with a lot of parasites. When the parasite problem was cleared up he started having problems with swelling usually in the pad on one paw. The Vet said it was his immune system from being so sick and that they would have to give him cortisone shots a few times a year. I decided against the shots and for the last few years I have been letting his body fight it on its own with the help of Pure Herbs extracts. I started by using **A.M.F.-W**. He has been doing better, but a few weeks ago his back paw swelled up again and it went further up into his foot. It was really noticeable so I decided to use **Myrrh** and **OI’ Number 11** and within a couple of days he was running around and using his paw the way God intended. He went outside into the yard and ended up with a picker in his chin that got infected, so I cleared that up by applying **Myrrh** to his chin after I applied it to his foot. I kept applying all the above products for a week just to make sure everything healed up all the way. My cat didn’t mind the application after he realized it was helping him. He is happy and healthy and I didn’t have to worry about nasty side effects from cortisone shots or the expensive Vet treatments. Thank you so much!” —Michelle, Chesterfield, MI

**PLEASE DO NOT GIVE OUT YOUR DISTRIBUTOR NUMBER SO YOUR CUSTOMERS CAN CALL IN ORDERS USING YOUR ACCOUNT!!!****REASONS WHY:**

- This is YOUR distributor number.
- We keep your personal information on file.
- We only wholesale the product. We do not charge retail. If your customer is a retail customer and has your number to use, they would get wholesale price if they ordered directly from us.
- If your customer places an order using your number and then refuses the package, it is now YOUR responsibility to pay for that product.
- If they fail to give us their shipping information, we will ship to you or the address on file.
- If they fail to give us payment information, and your credit card is on file, we will use your credit card.
- If your number is being used by someone else and they ask for a C.O.D. and their check bounces, it is now YOUR responsibility to pay for the product and the bounced check fees. Or, if it is C.O.D. and the package is refused and comes back to Pure Herbs and the Purchase Volume discount was already paid because it was ordered at the end of the month and the package didn’t come back till the following month, it then becomes YOUR responsibility to pay for that package and keep it.

You may call in an order for your customer using your number and we will gladly ship to your customer. This is known as a drop ship. The drop ship fee is \$5. Or for a \$35 fee your customer can sign-up as a Distributor and get their own Distributor number and their own set of books. Thank you for your cooperation in this matter.
